December 2011

Dear Sir / Madam

The time has rolled around for the **PETERBOROUGH YOUTH SOCCER CLUB** to seek help, so that during this coming season we will be able to register about 1800 boys and girls ranging from 5 to 18 years of age.

We strongly feel that the opportunity for the children to participate is very important to them.

We hope you feel the same way.

Our sponsorship fee will be **\$325.00** with the name on the jerseys. If you are interested in sponsoring, then we must know at the latest by **MARCH 15TH, 2012**. After this date we cannot guarantee having the jerseys screened with the sponsor's name.

The Club provides recognition of the Sponsors' contribution through honourable mention in our schedule book and on our web site. Scores are listed in the Peterborough Examiner throughout the week. Each Sponsor also receives a plaque with a team picture.

We sincerely hope you will help us to make this 2012 season a success and please know that your contribution is greatly appreciated and is used for a worthwhile cause.

Sponsorships are tax deductible.

Sincerely hoping your answer will be in our favour, we are enclosing an invoice for you to complete and return along with your cheque before the date listed above. A receipt will be forwarded.

Thanking you in advance, I remain,

Yours in soccer,

Peter Van Wensem, Sponsorship Chairperson
